

Term 4 2018 Year 6 Newsletter: Banksy and Morph

Welcome back to Term 4 – it was lovely to see you all at parents' evenings this week where we were able to show off all the hard work that goes on in Y6. Children really rose to the challenge last term: they showed amazing resilience when presented with 'mock SATs' and we are so pleased with the progress they are making across the curriculum. Thank you also for supporting children with the completion and return of their SATs Homework Books – we mark this work together on Friday mornings so that children can have immediate feedback on their answers.

We look forward to a busy term full of creativity and even more hard work so that every child is ready for the move to secondary school in September.

Miss Catchpole, Mrs Leonard, Mrs Matthews and Mrs Dunn.

English

In English and reading lessons we will be sharing some wonderful WW1 inspired novels and non-fiction texts: 'Friend or Foe' and 'Carrie's War'. We know children will love these inspirational books which tell of a child's life during the war.

Our writing will focus on recounts, letters, biographies and reports as we start to build a portfolio of writing to celebrate our skills.

Maths

Term 4 maths cover: converting measures, area, perimeter, volume and ratios.

To help at home, please encourage your child to revise and practise all times tables facts up to 12x12.

Look out for lots of hands on problems relating to our WW1 line of enquiry too!

Our line of enquiry question is: What was everyday life like for Bristolian children? Children have already come up with some very interesting questions to research. Please feel free to pop in before or after school to have a look at our WW1 library and learning area.

Y6 PE will continue on Tuesday, Wednesdays and Thursdays. However, we have some badminton coaching on some Fridays this term so please have kit in school then too.

Please check that your child has full PE kit and a water bottle.
