This term, our main focus will be on Fractions and decimals.

We will also be learning the 11 times table and the related division facts as well as the 12 times table and the related division facts

Our English lessons will enhance our Term 5 line of enquiry: Could you survive the rainforest?

We will find out what life is like for tribal people living in the rainforest through a wonderfully illustrated book called The Shaman's apprentice.

Using details of tribal life, we will write our own rainforest narratives.

We will also be writing formal letters to highlight the plight of rainforest animals.

Line of Enquiry: Could you survive the rainforest?

We will be finding out:

Where rainforest areas are located

What the climate is like in rainforest zones

If there are different habitats within a rainforest and how living things are adapted to those conditions

Children will be taking part in a 10 minute 'Physical Break' every day.

It is important that all children are involved in all PE activities. Please ensure that children have a weather suitable P.E. kit and a water bottle in school every day.
