

# Term 5 2018 Year 6 Newsletter: Banksy and Morph

Welcome back to Term 5. We are looking forward to a busy and productive term as we continue our SATs revision programme which aims to prepare our pupils by raising their confidence and getting them familiar with the SATs-based questions and formats.

**\*\*SATs week ~ Monday 14th May\*\***

If you were unable to attend the Y6 SATs meetings earlier this week, look out for an email giving details of the timetable for the week and ways in which you can help your child to do their personal best. If you have any further questions, or concerns, we are around after school so do feel to drop in. Remember, we will be running a Year 6 breakfast club Mon—Thurs during SATs week. It's a great start to the day and gives us all a chance to settle down with a hearty breakfast and a chat before we start work. Many thanks to The Coop for agreeing to provide the goodies!

Good attendance and punctuality is particularly important this term – every child will be accessing tailored group teaching to enable them to achieve well.

Thank you for continuing to support children with the completion and return of their Homework; there may be a few extra tasks this term just to keep skills sharp! We will mark this work together on Friday mornings so that children can have immediate feedback on their answers.

Miss Catchpole, Mrs Leonard, Mrs Matthews and Mrs Dunn.

## English

In English and reading lessons we will be sharing a wide range of WW1 inspired novels and non-fiction texts.

Our writing will focus on recounts, letters, balanced arguments, persuasion, instruction and reports as we build a portfolio of writing to celebrate our skills.

Our line of enquiry question is: What was everyday life like for Bristolian children? Children are thoroughly enjoying learning about WW1. We have lots of exciting practical skills days planned.

## Maths

Term 4 maths cover: revision of all calculation strategies, angles, geometry and shape. To help at home, please encourage your child to revise and practise all times tables facts up to 12x12.

**Revision homework booklets will be sent home regularly and should be returned on Fridays unless otherwise stated.**

Y6 PE will continue on Tuesday, Wednesdays and Thursdays. Please check that your child has full PE kit and a water bottle.
