

Year 6

Maths

In maths this term we will be completing a number of investigations to consolidate the learning that children have carried out throughout the year. We hope that children will be able to explore maths both inside and outside of the classroom in a more practical, fun and engaging way!

This term we will be focusing on using a range of stimuli for writing: picture books, animations and children's own choices.

The children have worked extremely hard on their writing this year and we are extremely proud of the work they have produced. They have made us laugh, cry and sit on the edge of our seats. Keep an eye out for our writer of the day on Twitter! Who will be inspiring their peers?

Year 6 Play – Darwin Rocks:

Yes you've heard it right. This year's school play will be full of science and discovery. Children will be sent home their scripts soon. Please ensure that they bring them in everyday for afternoon rehearsals and where possible rehearse their lines with them at home.

What will the weather be like in 100 years?

This term, Year 6 will be looking into the future and making predictions. Can they find the answer to our questions? Can they research the future weather using past weather patterns?

We will also be looking at countries who have been affected by severe weather and what the impact has been on the people living there.

Through our own weather reports, art and research we will be reporting our finding. Watch out!

**KEEP
CALM
AND
DO YOUR
HOMEWORK**

Home learning for Term 6:

Please choose from one of the following projects:

- Create a weather collage to show different climates across the world.
- Create a 3D model that shows what you have learnt in Year 6 this year.
- Conduct a science experiment. What happened? What were your predictions?

Science Investigations

This term, we will be looking at different investigations based on the topics that we have covered over the year. The children will be able to get 'hands on' and learn all about practical science.

Important dates for your diary:

Year 6 Theatre Trip – Thursday 14th June 2018

Trip to Avonmouth Docks – Tuesday 25th June 2018

Sports Day – Friday 29th June 2018

Year 5 & 6 Concert – Thursday 19th July 2018

Leavers Assembly – Monday 23rd July 2018

Last Day of the School - Year Tuesday 24th July 2018
