

Welcome to
Y6 'Morph' Class

About Me

- Fifteen years teaching experience – mainly in KS2
- Former ‘Bristol Advanced Skills Teacher’ - advising on teaching and learning across the city
- Favourite aspect of teaching: use of novels, picture books and animation to inspire children’s curiosity, writing and artwork

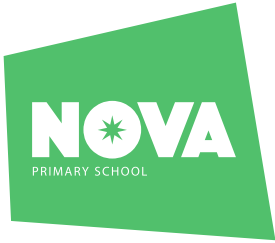

Communication

- Can speak to me at drop off or pick up time
- Children are the first priority and often need attention in the morning, therefore discussions at the end of day are usually better
- You can make an appointment with me at the school office

Morning Routine

- Doors open at 8:35
- Children respond to my marking comments in their English and maths books before completing a short 'Quick Work' task - often maths revision or spellings

- Children coming in between 8:45 -9 will be marked as 'late'

- VIPERS: in Guided Reading lessons, we prepare questions from the five National Curriculum reading assessment strands using the mnemonic 'VIPERS' to ensure *all* key comprehension reading skills are targeted.

'VIPERS' prompt questions are printed in every Nova Reading Record for the reading helper.

Reading

- Take 10 Challenge – will you pledge to hear or read your child read for at least ten minutes a day? (please sign up in your Nova Family Reading Record)
- When you **read with your child**, you are building **their** vocabulary, language and literacy skills, while improving concentration, curiosity and memory.

Teachers will nominate children and families for a book token prize raffle every month!
