## Term 3

What a super start to 2019! Our wonderful classes have come back fresh and ready to learn. The children have such positive attitudes to learning, our classrooms are a lovely place to be!

### Line of Enquiry

This term we are learning all about dinosaurs! You may have spotted the **Dinosaur Museums** in our classrooms and we expect the children have told you lots about our learning already.

At the start of the term we asked the children what they would like to learn about dinosaurs. Here are some of the questions we will be investigating:

- How did dinosaurs die?
- Did dinosaurs come from eggs?
- What is a fossil?
- What were their habitats like?
- Which dinosaurs were carnivores and which were herbivores?

### Mystery Reader

At your request we have changed the day of Mystery Reader to a **Friday this term**. Please do sign up to a slot if you are available to; it's not as scary as you might think!

The sign-up sheet is located outside of the classroom doors.

This term we are fortunate enough to have one of our PE lessons taught by one of the SHINE coaches – James. We are practising our ball skills and have already taken part in lots of fun games including balancing, rolling balls, and bowling! **Our PE days are slightly different this term:**

**Wallace – Monday and Tuesday**

**Gromit – Tuesday and Thursday**

Children will need weather appropriate kit for **inside and outside** lessons.

### Outdoor Learning

Our lovely mud kitchen has finally arrived! We have been **exploring and learning** so much already. This may be a good time to pop some old, **waterproof clothes** on your child's peg if you are worried about a muddy uniform.

### Extra Messages

Can you help us to collect any old kitchen things for our mud kitchen? If you have any of the following, please consider donating them to us!

- Pots
- Pans
- Colanders
- Ladles
- utensils

**(Stainless steel only please – plastic doesn't last long outside with 4 and 5 year olds!)**

Thank you for your ongoing support © Mrs Bacon and Miss Winter
