Term 4

Welcome back! We hope you had a restful half term. Here are some of the things coming up in Term 4. Thank you for the brilliant effort put into the children's costumes on Dinosaur Day last term. It really helped bring our learning to life and everyone LOVED the day!

As always, if you have any questions, we are free to speak to you at the end of the day.

Our Learning Journey

This term we are learning all about space! We were lucky to be visited by a lovely parent who brought in astronaut suits for us to try on!

Here are some of the questions we will be investigating, following the children's interests:

- Is the moon made of cheese?
- What are the planets called?
- How do you get to space?
- What do astronauts eat?
- Are aliens real?
- How many suns are there?

We have already learnt about the different parts of a rocket, and have been launched into space in the role play area!

Welly Wednesdays!

Please remember to **pack wellies on a Wednesday** for our Woodland Learning sessions. We go out no matter the weather, so waterproof clothing is encouraged. We have a limited number of spare wellies, but with growing feet these won't fit forever.

Mystery Reader

Mystery Reader continues this term on a **Friday at 3pm**. Join us and share your favourite family book or borrow one from our family library. We'd love to see you!

The sign-up sheet is located outside of the classroom doors.

Our PE days are slightly different this term:

Wallace – Monday and Thursday

Gromit – Thursday and Friday

Please make sure PE kits are in on these days and all clothing is **clearly named**.

Extra Messages

Remember to read every night to be in with a chance of winning the book voucher at the end of the term. The more you read, the easier it gets!

Thank you for your ongoing support ☺ Mrs Bacon and Miss Winter
