

# Term 5 2020 Year 6 Newsletter: Banksy and Morph

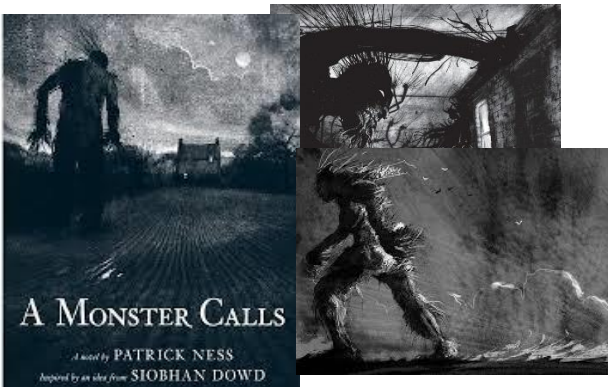

Thank you for continuing to support children with the completion of their home learning tasks- the responses, images and tweets we have received have been brilliant. Below outlines what we intend to cover, in school, over the course of Term 5.

Keep safe and keep smiling.

Miss Menday, Miss Foote and Mrs Matthews.

## English

In English and reading lessons, we will be reading the brilliant novel 'A Monster Calls'.

Our writing will focus on recounting and writing spooky stories as we build a portfolio of writing to celebrate our skills.

Y6 PE will continue on Tuesday and Wednesdays. Please check that your child has a full PE kit and water bottle.

## Maths

Term 5 maths cover: revision of all calculation strategies, angles, geometry, shapes and statistics.

To help at home, please encourage your child to revise and practise all times table facts up to 12x12.

Our line of enquiry question is: **How can we tell stories through animations?**

We have lots of exciting practical skills days planned including making zoetropes and creating stop-motion animations.

**Note: The Coronavirus learning packs will be added onto our school website every 2 weeks. If you have any questions, regarding the home learning, please let us know by emailing.**
