### Underspend rationale:

Due to Covid-19, the overall spend, for this academic year, came to a halt in March (rather than July). As well as running additional events such as Sports Day, the underspend would have been used to: pay for three new after school clubs a week in terms 5 and 6 (basketball, hockey and multi-sports- costing £90 a week); run additional swimming lessons for KS1 (23% of last year's budget was spent on this as opposed to 12.7% this year) and continue to provide CPD and lunchtime provisions- provided by Shine for terms 5 and 6.

As a school, we acknowledge the impact Covid-19 has had on children and their physical education, therefore we intend to carry forward the underspend and use this to catch up missed PE experiences and provide children with the opportunity to attend a wide range of sports clubs.

<b>Total funding allocated 19/20:</b>	<b>£19,100</b>
<b>Carry forward 18/19:</b>	£7950
<b>Total:</b>	<b>£27,050</b>
<b>Total Spent:</b>	£10,577
<b>Underspend:</b>	<b>£16,473</b> (due to Covid-19)
