

Welcome to Banksy Class

Miss Menday

About Me

- Miss Menday
- After graduating, in 2015, I started my teaching career at Nova.
- I've taught in Years 4, 5 and 6 – I really enjoy KS2. Every day is always so different.
- I am currently the PE lead and I am part of our Health and Wellbeing Curriculum Team .
- I love baking and being around friends and family.

Learning Partnership

As teachers we want to support children and families. **We will work together to ensure all children are happy, safe and learning.**

Home-School Agreement (emailed to you) outlines the role of school staff, parents and children in a successful learning partnership.

Communication

- You can make an appointment with me by emailing or phoning the school office.
- You will also be able to speak to me at pick up time most days.

Mindful Morning Routine

Gates open at 8.35am

- *EYFS & KS1 – parents and carers wait with children on the playground.*
- *KS2 children walk to their playgrounds and classrooms independently. Teachers will be there to greet them.*
- ***Whistle blown at 8.43am and children line up with their teacher.***

Morning routine in class:

- *Children to hang up coats & bags etc*
- ***Mindful morning activities will be set up for all children to engage with whilst the register is taken.***

Gates will be locked at 8.50am

Zones of Regulation

Mindful mornings (and times throughout the school day) will be an opportunity to teach children to recognise their emotions. Throughout the year we will be teaching and developing a bank of strategies with the children that they can use to help regulate their emotions. You can support by using the language of zones of regulation at home and to communicate to us.

What Zone Are You In?			
Blue	Green	Yellow	Red
			
Sick Sad Tired Bored Moving Slowly	Happy Calm Feeling Okay Focused Ready to Learn	Frustrated Worried Silly/Wiggly Excited Loss of Some Control	Mad/Angry Mean Yelling/Hitting Disgusted Out of Control

Attendance

Attendance and punctuality are *extremely* important. Being on time helps prepare all children to be settled and ready for their school day.

- Gates open at 8:35am
- Register is taken at 8.45am
- Gates are locked at 8.50am Your child *must* be in before this time.
- Children coming in between 8.45am -9.30am will be marked as 'late'.
- Children coming in after 9.30am, will be marked as an 'absent'.
- It is a Nova expectation from EY that children attend *every* day.

Attendance

Attendance has an impact on achievement.

Attendance Groups & Risk	
Green	No Risk
Yellow	Risk of Under Achievement
Amber	Serious Risk of Under Achievement
Pink	Severe Risk of Under Achievement
Red	Extreme Risk of Under Achievement

Behaviour

Nova's 2 golden rights:

- Everyone has the right to learn
 - Everyone has the right to be happy and safe
- Positive approach to behaviour management
 - Recognition board, postcards, phone calls home, appreciation
 - Weekly Nova star award and termly 'Above and Beyond' award

Behaviour

- Our behaviour policy can be viewed on our website, including steps & consequences.

When this occurs, we implement the following strategies:

Take up time	Reminder from adult of expected behaviour with a wink or a nod.	
Step 1	Mini-chat: A scripted conversation ³ of 30 seconds and a reminder about the task and an offer of help.	
Step 2	Five-minute check-in following Step 1 and praise correct behaviour or Further Scripted Behaviour Intervention ⁴ and direction towards regulation station explained: 5 minutes for KS1 children accessing regulation strategies 10 minutes for KS2 children accessing regulation strategies This will be followed up with a scripted restorative conversation* with adult and recognition of regulation.	
Step 3	If challenging behaviour continues, child goes to paired class for remainder of the session (am/pm) and attends supervised lunchtime restoration* session. This will be followed up with a scripted restorative conversation* with adult at the end of lunchtime restoration. Parents/Carers will be informed if their child reaches this step.	
Step 4	If step 3 is reached 3x in a week, the senior leadership team will intervene, a new Positive Behaviour Plan will be implemented in a meeting with parents/carers and class teacher.	

- Parents will be informed if their child reaches a step 3 or needs a positive behaviour plan.

Maths

- Maths curriculum develops fluency, reasoning & problem solving skills.
- Knowing number facts & times tables quickly helps in all areas of maths. Please support your child with this at home 5x a week!
- Children will be given individual times table targets.
- **Children should be fluent in all times tables and corresponding division facts.**
- We will send home information about your child's specific targets too so you know what to help them with at home.
- Times Table Rockstars in KS2 – all children have log ins.

A colorful grid of multiplication and division facts, titled "Times Tables". The grid is organized into columns for multiplication (e.g., 2x, 3x, 4x, 5x) and rows for division (e.g., 2, 3, 4, 5). Each cell contains a small equation and its result. The colors are vibrant and varied, making it easy to distinguish between different sections of the table.
