

Welcome to Brunel Class!

About Me

Mr Deeney

- This is my 3rd year teaching at Nova Primary. I have worked in education for 5 years prior to this so have developed rounded experience working with young people.
- I am passionate about teaching because it gives me the opportunity to help shape the future generations – as individuals as well as academically.
- Outside of work, I have 2 young children who take up most of my time for anything else!

Learning Partnership

As teachers we want to support children and families. **We will work together to ensure all children are happy, safe and learning.**

Home-School Agreement (emailed to you) outlines the role of school staff, parents and children in a successful learning partnership.

Communication

- You can make an appointment with me by emailing or phoning the school office.
- You will also be able to speak to me at pick up time most days.

Zones of Regulation

Mindful mornings (and times throughout the school day) will be an opportunity to teach children to recognise their emotions. Throughout the year we will be teaching and developing a bank of strategies with the children that they can use to help regulate their emotions. You can support by using the language of zones of regulation at home and to communicate to us.

What Zone Are You In?			
Blue	Green	Yellow	Red
			
Sick Sad Tired Bored Moving Slowly	Happy Calm Feeling Okay Focused Ready to Learn	Frustrated Worried Silly/Wiggly Excited Loss of Some Control	Mad/Angry Mean Yelling/Hitting Disgusted Out of Control

Attendance

Attendance and punctuality are *extremely* important. Being on time helps prepare all children to be settled and ready for their school day.

- Gates open at 8:35am
- Register is taken at 8.45am
- Gates are locked at 8.50am Your child *must* be in before this time.
- Children coming in between 8.45am -9.30am will be marked as 'late'.
- Children coming in after 9.30a, will be marked as an 'absent'.
- It is a Nova expectation from EY that children attend *every* day.

Nova's 2 golden rights:

- Everyone has the right to learn
 - Everyone has the right to be happy and safe
- Positive approach to behaviour management
 - Recognition board, postcards, phone calls home, appreciation

Behaviour

- Our behaviour policy can be viewed on our website, including steps & consequences.

When this occurs, we implement the following strategies:

Take up time	Reminder from adult of expected behaviour with a wink or a nod.	
Step 1	Mini-chat: A scripted conversation ³ of 30 seconds and a reminder about the task and an offer of help.	
Step 2	Five-minute check-in following Step 1 and praise correct behaviour or Further Scripted Behaviour Intervention ⁴ and direction towards regulation station explained: 5 minutes for KS1 children accessing regulation strategies 10 minutes for KS2 children accessing regulation strategies This will be followed up with a scripted restorative conversation* with adult and recognition of regulation.	
Step 3	If challenging behaviour continues, child goes to paired class for remainder of the session (am/pm) and attends supervised lunchtime restoration* session. This will be followed up with a scripted restorative conversation* with adult at the end of lunchtime restoration. Parents/Carers will be informed if their child reaches this step.	
Step 4	If step 3 is reached 3x in a week, the senior leadership team will intervene, a new Positive Behaviour Plan will be implemented in a meeting with parents/carers and class teacher.	

- Parents will be informed if their child reaches a step 3 or needs a positive behaviour plan.
