# Learning Partnership

As teachers we want to support children and families. **We will work together to ensure all children are happy, safe and learning.**

Home-School Agreement (emailed to you) outlines the role of school staff, parents and children in a successful learning partnership.

# Communication

- You can make an appointment with me by emailing or phoning the school office.
- You will also be able to speak to me at pick up time most days.

# Mindful Morning Routine

Gates open at 8.35am

- *EYFS & KS1 – parents and carers wait with children on the playground.*
- *KS2 children walk to their playgrounds and classrooms independently. Teachers will be there to greet them.*
- ***Whistle blown at 8.43am and children line up with their teacher.***

Morning routine in class:

- *Children to hang up coats & bags etc*
- ***Mindful morning activities will be set up for all children to engage with whilst the register is taken.***

Gates will be locked at 8.50am

# Zones of Regulation

Mindful mornings (and times throughout the school day) will be an opportunity to teach children to recognise their emotions. Throughout the year we will be teaching and developing a bank of strategies with the children that they can use to help regulate their emotions. You can support by using the language of zones of regulation at home and to communicate to us.

What Zone Are You In?			
Blue	Green	Yellow	Red
			
Sick Sad Tired Bored Moving Slowly	Happy Calm Feeling Okay Focused Ready to Learn	Frustrated Worried Silly/Wiggly Excited Loss of Some Control	Mad/Angry Mean Yelling/Hitting Disgusted Out of Control

# Attendance

Attendance and punctuality are *extremely* important. Being on time helps prepare all children to be settled and ready for their school day.

- Gates open at 8:35am
- Register is taken at 8.45am
- Gates are locked at 8.50am Your child *must* be in before this time.
- Children coming in between 8.45am -9.30am will be marked as 'late'.
- Children coming in after 9.30a, will be marked as an 'absent'.
- It is a Nova expectation from EY that children attend *every* day.

# Behaviour

## Nova's 2 golden rights:

- Everyone has the right to learn
  - Everyone has the right to be happy and safe
- Positive approach to behaviour management
  - Recognition board, postcards, phone calls home, appreciation
  - Weekly Nova star award and termly 'Above and Beyond' award

# Behaviour

- Our behaviour policy can be viewed on our website, including steps & consequences.

When this occurs, we implement the following strategies:

<b>Take up time</b>	Reminder from adult of expected behaviour with a wink or a nod.	
<b>Step 1</b>	Mini-chat: A scripted conversation <sup>3</sup> of 30 seconds and a reminder about the task and an offer of help.	
<b>Step 2</b>	Five-minute check-in following Step 1 and praise correct behaviour or Further Scripted Behaviour Intervention <sup>4</sup> and direction towards regulation station explained:  5 minutes for KS1 children accessing regulation strategies 10 minutes for KS2 children accessing regulation strategies  This will be followed up with a scripted restorative conversation* with adult and recognition of regulation.	
<b>Step 3</b>	If challenging behaviour continues, child goes to paired class for remainder of the session (am/pm) and attends supervised lunchtime restoration* session.  This will be followed up with a scripted restorative conversation* with adult at the end of lunchtime restoration.  Parents/Carers will be informed if their child reaches this step.	
<b>Step 4</b>	If step 3 is reached 3x in a week, the senior leadership team will intervene, a new Positive Behaviour Plan will be implemented in a meeting with parents/carers and class teacher.	

- Parents will be informed if their child reaches a step 3 or needs a positive behaviour plan.

# States of being

BEING A...

GEOGRAPHER, SCIENTIST, MUSICIAN, AUTHOR, PHILOSOPHER, READER, MATHEMATICIAN, ARTIST, ENGINEER, HISTORIAN

To help children develop their knowledge about different subjects in the wider curriculum.

# Curriculum

## Who were the Romans and what was their legacy on Britain?

- This enquiry enables learners to learn about the Roman Empire and its impact on Britain, including our own locality.
- Children will develop as historians by asking questions, researching and drawing conclusions about their discoveries.
- 'The Thieves of Ostia' offers opportunities for children to learn about Roman society and what life was like.
- As artists, children will explore how they create 3D forms using clay and Modroc to create a Roman banquet.
- As designers, children will develop their stitching and textiles skills to create Roman bullas.
- As scientists children will learn about rocks and fossils and how these have formed over time.

# Home Learning –reading and key skills!

- Our home learning policy has been updated following consultation.
- *The focus for home learning is on reading and key skills – the building blocks!*

- Our home learning policy and update will be shared with you next week
- This week focusing on getting to know the children.

# Home Learning – Reading and key skills!

- Children are expected to read at home everyday as reading is the key to success!
- Children KS2 will have TTR and Spelling Shed log ins to practise their number and spellings skills at home.
- Some optional suggested home learning activities linked to the wider curriculum will also be shared termly.
- If you want further guidance or additional materials to support your child with their learning at home, please speak to me.
