### Reading:

Children should read at least 5x a week at home to an adult. We encourage adults to discuss children's reading with them.

All children have a levelled reading book from school which they will change at least weekly. Your child may be a 'free reader' in which case they may change their reading book less often depending upon the length. Children also have access to wider interest books from their class and school library.

### Suggestions of optional wider curriculum activities:

This term our line of enquiry is 'What were the changes from Stone Age to Iron Age in Britain?'

- ❖ **History** – Can you research facts about an aspect of Stone Age life e.g. tools/houses/jobs. Present your findings in an interesting way e.g. powerpoint/ video recording/ booklet.
- ❖ **Art** – Develop your sketching skills by sketching Stone Age artefacts e.g. tools, jewellery.
- ❖ **DT** – Can you create a model of a Stone Age home? E.g. a cave/hut/teepee/round house?
- ❖ **Maths** – Can you create a Stone Age inspired abacus using natural resources to represent three digit place value (hundreds, tens and ones).
- ❖ **English** – Use your knowledge of the Stone Age to write an adventure story for your own Neolithic character. Include an interesting description of your setting and character to engage the reader.
