

## Nova's 50 Story Time Books for Reception

We have 50 enjoyment books for children to borrow and enjoy reading at home, covering everything from grumpy unicorns and greedy monsters to dreams of space travel and expeditions into faraway places. Not to mention the odd heroic potato or bear-pretending-to-be-a-bee, too....

Children will choose and bring one of these books home each week to read with an adult for pleasure. This will be alongside their matched phonics books which children will need to read to an adult at least 3x a week to practise the sounds they are learning. Please look after these books and ensure they are returned each week for another child to read and enjoy.

Why not use the pictures below as bingo card and cross off each book as you read it?
