

Year 3 Home Learning Tasks – Term 5 & 6

Maths Number Facts:

All children have a Times Table Rockstar log in. Children should log in and play at least 5x a week at home.

This term in class we will be consolidating all the Year 3 times tables: 3x, 4x, and 8x.

My personal maths target:

This term I need to learn my _____

Spelling:

All children have a Spelling Shed log in. Children should log in and play at least 3x a week at home. All children will also bring home the statutory year group spelling list to practise their spellings at home.

My personal spelling target:

This term I need to _____

Reading:

Children should read at least 5x a week at home to an adult. We encourage adults to discuss children's reading with them and sign their reading records. Children have access to wider interest books from their class and school library.

Most children in Year 3 have a levelled reading book from school which they will change at least weekly. Your child may be a 'free reader' in which case they may change their reading book less often depending upon the length.

If still developing their phonics knowledge, children will instead have a decodable phonics book from school which they will change once a week. Children should read their decodable book at least 3x a week at home.

My personal reading target:

This term I need to _____

Wider Curriculum:

Why should we care about the environment?

- ❖ **Geography** – Choose and research a rainforest that interests you. Present your findings in a creative way e.g. poster, booklet, non-chronological report, video etc.
- ❖ **Art** – Create a collage 'all about you' which represents you as a unique individual. You could use magazines/newspapers clippings and any other materials you have available.
- ❖ **DT** – Create an interactive pop-up book on your favourite rainforest animal.
- ❖ **Maths** – Create a daily or weekly personal timetable. Include the start time and finish times of the everyday activities you participate in. As a challenge find the duration of each activity.
- ❖ **English** – Write an adventure story about an explorer lost in the rainforest. Use the features of suspense to keep your reader engaged!
- ❖ **Science** – Research the role of bees in the pollination of plants. Why are they so important for our environment?

Year 3 Term 5-6 Parent information
