Year 4 Home Learning Tasks – Term 1&2

Maths Number Facts:

All children have a Times Table Rockstar log in. Children should log in and play at least 5x a week at home.

This term in class we are focusing on recapping our Year 3 times tables (2x, 5x, 10x, 3x and 4x). We will also be learning the 6x table and practising counting in 25s, 50s and 100s.

My personal maths target:

This term I need to learn my 6 times tables

Spelling:

All children have a Spelling Shed log in. Children should log in and play at least 3x a week at home. All children will also bring home the statutory year group spelling list to practise their spellings at home.

My personal spelling target:

This term I need to use homophones accurately e.g. **here/hear their/there/they're to/too/two**

Reading:

Children should read at least 5x a week at home to an adult. We encourage adults to discuss children's reading with them.

All children have a levelled reading book from school which they will change at least weekly. Your child may be a 'free reader' in which case they may change their reading book less often depending upon the length. Children also have access to wider interest books from their class and school library.

My personal reading target:

This term I need to focus on reading a variety of different text types (fiction & non fiction)

READING JOURNALS WILL BE CHECKED ON A FRIDAY FOR BOTH CLASSES
